

President's Cup Report

After a slow and disappointing start to the round robin with losses to Kitchener-Waterloo and Owen Sound the Outlaws faced a must win game against Newtown to finish the round robin. The Outlaws were victorious in this game which caused a four way tie for third in the standings with only two of the four teams advancing.

After a few hearings and some time in the board room it was determined that Edmonton had finished fourth in the round robin and would advance to the semis. The semis involved Kitchener-Waterloo defeating Nanaimo and Edmonton facing the host Owen Sound team. In front of a capacity crowd the Outlaws redeemed themselves from their round robin game against Owen Sound but still came out on the short side of a great game. In the bronze medal game the Outlaws came out and did Alberta lacrosse proud by defeating Nanaimo in another exciting game. The final was an All-Ontario affair with Kitchener-Waterloo surprising the host team to claim the championship.

All in all the Outlaws did a great job defending their title and were great representatives for the RMLL and Alberta lacrosse. I was proud to say that I was affiliated with them and Alberta lacrosse; they conducted themselves as total professionals.
