Purpose

The purpose of this document is to describe the entire RMLL Jr. B Tier I playoff Structure, format, structure, rules, and guidelines for the Jr. B Tier I division operating policy. This document reflects what has been voted on as well as some additional information that will be used to guide the division in playoff planning. This document also takes into account that the winning team is generally the Alberta Founders cup representative. It is also acknowledged that there are two out of province teams, one from Saskatchewan, and one from Manitoba are the only teams in each of the aforementioned provinces playing at this level, and will therefore be representing their home provinces at the Founders cup. The playoff format has been developed to identify the leagueChampion and the Alberta Founders cup representative using the following guiding principles.

- 1. To make the playoffs as cost effective as possible for all teams, but in particular those from out of province.
- 2. To provide all teams with the ability to plan for playoff expenses.
- 3. Grow interest in the sport.
- 4. Turn a profit to offset the costs of attending the Founders Cup

Officials

Game Referees

- The teams have agreed that the 4 participating teams should be allowed to put forth to the ALRA for consideration to be assigned the championship weekend, up to two referees each.
- The teams have also agreed and ask the division commissioner to request that when referees are assigned for the championship games both referees must not be from the same locale, i.e. (Calgary & Calgary or Edmonton & Edmonton)
- It is believed by the division that good referees can be developed in part by having younger referees exposed to the higher level games before they are eligible to be assigned to referee the games.

Use of Young Referees

- In an effort to generate more interest in the higher levels of the games the division would like to make use of younger referees (paid positions) during the playoffs and in particular the championship weekend in the following capacities:
 - Assignment to be time keepers
 - Assignment to be shot clock operators
 - Assignment to be score keepers
- These assignments will provide learning opportunities and provide a different perspective from being on the floor. They will demonstrate the importance of off floor officials and will enforce the need for the on floor officials to be be very diligent in their work.
