

## **2016 JR B Founders Cup Report Orangeville Ontario**

The 2016 Founders Cup in Orangeville Ontario will have teams from Coast to Coast 8 teams in total.

Starting with the Calgary Chill, Team Nova Scotia, Coquitlam Adanacs, Saskatchewan Swat, Manitoba Blizzard, Clarington Green Gales, Seneca War Cheifs, and the Host Orangeville Northman.

The Calgary Chill start the Founders against the Saskatchewan Swat beating them 20-5 a good start for the Chill.

Game 2 was a little different as they came up against the Green Gales from Ontario losing 17-5

In game 3 they knew they had to come out running hard and it worked beating Team Nova Scotia 13-12 in OT

Game 4 we saw much of the same the Chill worked hard and had good goal tending to beat the Adanacs 9-7

In Game 6 the Chill would play the Seneca War Chiefs for the Bronze Medal but would come up short 17-8

The Chill played at a very high level all week and all of the games were very entertaining.

In the Tier 2 Championship the Adanacs beat the Blizzard 12-9

In the Gold Medal Game, it was Northman and the Gales

And the Northman showed it was no Fluke in Beating them in The Ontario League Championship winning 11-6 to Win the 2016 Founders Cup.

The Scheduling was good for the teams.

There were no complaints about the Refs; they let the teams play.

The transportation for the teams were good from hotel to Arena.

The Arena was well lit with each team getting there own Dressing Room for the Week.

Overall a great week of Lacrosse with lots of volunteers.
