

2017 Senior B Commissioner's Report

The division was very happy to welcome the Sr B Blackfalds Silverbacks to the division in the 2017 season. This additional entry balances the league. Each team played the other teams 3 times during the regular season. The extra home game will alternate each season.

There were very few issues within the division during the season. Discipline was minimal, with only 2 disciplinary incidents.

The competitive level of the teams was somewhat spread in 2017. There are many reasons for this. To simplify, some teams are at the top with having many experienced players and some teams are growing or rebuilding. However, the future looks bright for all teams to build.

The St. Albert Miners finished at the top of the standings undefeated for the 2nd season. Four teams, the Miners, Rockyview knights, Edmonton Warriors, and Calgary Mountaineers, entered the playoffs. The Miners defeated the Mounties in 3 games and the Knights defeated the Warriors in 3 games. In the provincial series, the Miners defeated the Knights in 4 games to move on to the 2017 Presidents' Cup.

The Presidents' Cup was held in Six Nations. The ALA sent Lisa Grant as the ALA representative to the Presidents' Cup, and as such, the Sr B Commissioner is unable to report on it.

The St. Albert Sr B Miners were victorious at the President Cup and won their 2nd consecutive national championship.

Kind regards
Shauna Sterparn
RMLL Sr. B Commissioner
