Existing Bylaw –14.07 There shall be no hearing unless the Commissioner of the Discipline Committee so directs, in which case the procedure set out in 14.06 shall apply. Otherwise, the matter shall be decided solely on information provided to the Committee, which, in the discretion of the Committee, the Committee considers relevant and proper to receive. The person who committed the game infraction which led to the automatic referral to the Committee shall be deemed to know of the automatic referral and may make a written submission to the Committee. Such a person may also, upon request, receive a copy of any written material which was submitted to the Committee and have the Committee provide him or her with a verbal summary of any other information that was provided to the Committee.

Proposed Bylaw: Change to:

14.07 In cases of automatic referrals under s. 14.05 (c), the Commissioner of Discipline and Appeals may direct that there be no oral hearing. In such case, the matter shall be decided solely on information provided to the Committee, which, in the discretion of the Committee, the Committee considers relevant and proper to receive. The person who committed the game infraction which led to the automatic referral to the Committee shall be notified of the automatic referral and may make a written submission to the Committee. Such a person may also, upon request, receive a copy of any submissions, material and information which was submitted to the Committee.

Rationale:

The default should be that there be a hearing. The Commissioner is accurately described. The person in jeopardy should get notice and **full** disclosure. The intent was to have this apply to automatic referrals and not all discipline matters.
